Richard,

I have found the correct path of the data files requested
 \\nahoutrd\houston\pwr\common\electric\west\incrmnt\2000. The
 requested
 directory has numerous files, not just the real-time spreadsheets.
 The below
 attachment contains the file names of the files within the above
 directory
 (do not be confused by the \\enehou rather than the \\nahoutrd,
 they are the
 same).

Are you authorizing the copy of all of these files? Please advise...

Regards,

Dan ◀ **Dietrich** ▶

Dan -

Can you get with Richter or someone and try to make sense of the path mentioned below. Also quantify the amount of files we are talking about here.

Richard,
Here are the specifics of what we need to get copied:

M:\NAHOUTRD\Houston\Power\Common\Electric\West\Incmemnt2000

We need all files copied from this directory. These are the 2000 West Desk Real Time spread sheets.

Thanks
Gary
