## **Professional Experience**

- 1985- present                      Managing Partner of McCullough Research. Providing strategic planning assistance, litigation support, and planning for a variety of customers in energy, regulation, and primary metals.
- 1996- present                      Adjunct Professor, Economics, Portland State University.
- 1990- 1991                         Director of Special Projects and Assistant to the Chairman of the Board, Portland General Corporation. Conducted special assignments for the Chairman in the areas of power supply, regulation, and strategic planning.
- 1988- 1990                         Vice President in Portland General Corporation's bulk power marketing utility subsidiary, Portland General Exchange. Primary negotiator on the purchase of 550 MW transmission and capacity package from Bonneville Power Administration. Primary negotiator of PGX/M, PGC's joint venture to establish a bulk power marketing entity in the Midwest. Negotiated power contracts for both supply and sales. Coordinated research function.
- 1987- 1988                         Manager of Financial Analysis, Portland General Corporation. Responsible for M&A analysis, restructuring planning, and research support for the financial function. Reported directly to the CEO on the establishment of Portland General Exchange. Team member of PGC's acquisitions task force. Coordinated PGC's strategic planning process. Transferred to the officer's merit program as a critical corporate manager.
- 1981- 1987                         Manager of Regulatory Finance, Portland General Electric. Responsible for a broad range of regulatory and planning areas. These include preparation and presentation of PGE's financial testimony in the state rate cases in 1980, 1981, 1982, 1983, 1985, and 1987 before the Oregon Public Utilities Commission. Also responsible for preparation and presentation of PGE's wholesale rate case with Bonneville Power Administration in 1980, 1981, 1982, 1983, 1985, and 1987. Coordinated activities at BPA and FERC on wholesale matters for the InterCompany Pool, the association of investor owned utilities in the Pacific Northwest.

since 1983. Created BPA's innovative aluminum tariffs, adopted by BPA in 1986. Led PGC activities, reporting directly to the CEO and CFO on a number of special activities including litigation and negotiations concerning WPPSS, the Northwest Regional Planning Council, various electoral initiatives, and the development of specific tariffs for major industrial customers. Member of the Washington Governor's Task Force on the Vancouver Smelter (1987) and the Washington Governor's Task Force on WPPSS Refinancing (1985). Member of the Oregon Governor's Work Group On Extra-Regional Sales (1983). Member of the Advisory Committee to the Northwest Regional Planning Council (1981).

1979- 1980

Economist, Rates and Revenues Department, Portland General Electric. Responsible for financial and economic testimony in the 1980 general case. Coordinated testimony in support of the creation of the DRPA (Domestic and Rural Power Authority) and was a witness in opposition to the creation of the Columbia Public Utility District in state court. Member of the Scientific and Advisory Committee to the Northwest Regional Power Planning Council.

1976- 1979

Graduate student, Cornell University. Worked at Cornell as an economist for Institutional Research directly for the Vice-President of Planning. Co-investigator on a major grant from the Department of Labor's Bureau of International Labor Affairs. Performed statistical and demographic analysis for the New York State Consumer Protection Agency.

1973- 1976

Research Assistant, Economics Department, Portland State University. Summer work for the U.S. Bureau of Land Management and the Institute On Aging.

1974

Economist, Legislative Research. Researched bills before the legislature on issues from land use to economic development.

1973

Researcher, Willamette Management Associates. Responsible for economic research and writing in various financial periodicals. Supported corporate valuation analysis.
