Straight Talk: High gas prices in the Northwest

Straight Talk: High gas prices in the Northwest

Prices at the pump start to fall...

But the northwest is still paying far more than most other parts of the country -

Because of these very tight supplies, we saw our prices sky rocket

Now is that suspicious? Yes. It goes exactly the wrong way. Common sense says price of oil goes down price of gasoline goes down

And now some... Including members of congress... Want an investigation -

This week on straight talk - we look at what goes into the price of our gas... And why we're paying more the northwest -
