THINK OUT LOUD

# As Oregon faces more extreme weather, what can the state do to keep the lights on?

By Elizabeth Castillo (Think Out Loud, Oregon Public Broadcasting)

Feb. 23, 2021 7:47 a.m. Updated: Feb. 23, 2021 7:47 a.m.

Hundreds of thousands of Oregonians were [left without power](#) last week due to ice, snow and fallen trees. As severe weather becomes more common, experts say that these types of power outages will too. We hear from Robert McCullough, an energy consultant in Portland, about what needs to change to make Oregon's power grid more resilient.
